Lichtundfire is pleased to present COLOR HIGH & RAW EMOTIONS, an exhibition with artists working in various media and jointly curated by Priska Juschka (Director, Lichtundfire) and by Arielle Mark (Director, Mark Gallery).

A joyous celebration of expression, while deeply rooted in art history, the work emphasizes, playfully but strongly, on color and texture- demonstrating a freedom that deliberately defies rigor, repetition and formulae.

The ten artists in the exhibition, with individual techniques of hues, marks and strokes, reveal a unique set of raw emotions that remark on color and material with the right side of the brain. And, by doing so, the artists- by means of their different media- turn their mediums into portals for self-expression.

This exhibition has been jointly developed with Arielle Mark of Mark Gallery, formerly of Englewood, NJ, as a collaborative project at Lichtundfire.
